

Dear Bob and Allan,

Enclosed is my expense account for the past week. If any items need explanation, Allan knows about them.

Thus far I have nothing new to report on the substitutions story. Woodward and Lothrop, for whom we expected to get the props, haven't them. General Electric thinks they'll have to get them from the factory. I still have not located a suitable apartment or home.

There have been no developments so far as I know on the Peru story.

I have received the last expense check. Very fast. Thanks.

Gus reports that Constance seems over the hump after a particularly bad siege. I spoke to her today and she seems cheerful, but Gus suggests that was for my benefit. She is still a sick girl, he says.

At present it looks as though it will take at least the next two days to line up the place and props.

Enclosed pictures appeared in all the local papers.

Harold
